----------------------	-----------------	------------------	---------------------------------------

Semester – III

CITIZENSHIP EDUCATION COURSE OBJECTIVES:

- Recognise and appreciate difference and multiple identities, e.g. culture, language, religion, gender and our common humanity, and develop skills for living in an increasingly diverse world;
- Recognise and examine beliefs and values and how they influence political and social decision-making, perceptions about social justice and civic engagement;
- Develop attitudes of care and empathy for others and the environment and respect for diversity;
- Develop values of fairness and social justice, and skills to critically analyse inequalities based on gender, socio-economic status, culture, religion, age and other issues;
- Participate in, and contribute to, contemporary issues at society level as informed for responsible citizens.

COURSE OUTCOMES

- Students experience a sense of belonging to a common humanity, sharing values and responsibilities, based on human rights
- Students develop attitudes of empathy, solidarity and respect for differences and diversity.
- Students act effectively and responsibly at local, national and global levels for a more peaceful and sustainable world
- Students develop motivation and willingness to take necessary actions in political & social aspects.
