

National Technology Day
Guest Lecture & Hands on Session
'JAVA & SPRING BOOT'
10th May, 2024

Organized by: Department of Computer Science & Applications

The Department of Computer Science & Applications (UG & PG) organized a Guest Lecture & Hands on Session in the view of **National Technology** on “**JAVA & SPRING BOOT**” on **May 10th, 2024** for **II M.C.A, I M.Sc. (DS) & II B.C.A** students. The Resource Person is **V Bhaskar Manikanta, Senior Software Engineer , CGI Company, Hyderabad.**

Objectives:

- The main objective is to make students aware of Java and Spring Boot Application.
- Spring Boot is an open-source Java framework used for programming standalone, production-grade Spring-based applications with minimal effort.
- Hands on Session and Deployment on Spring Boot Application.
- Provide a radically faster and widely accessible getting-started experience for all Spring development.

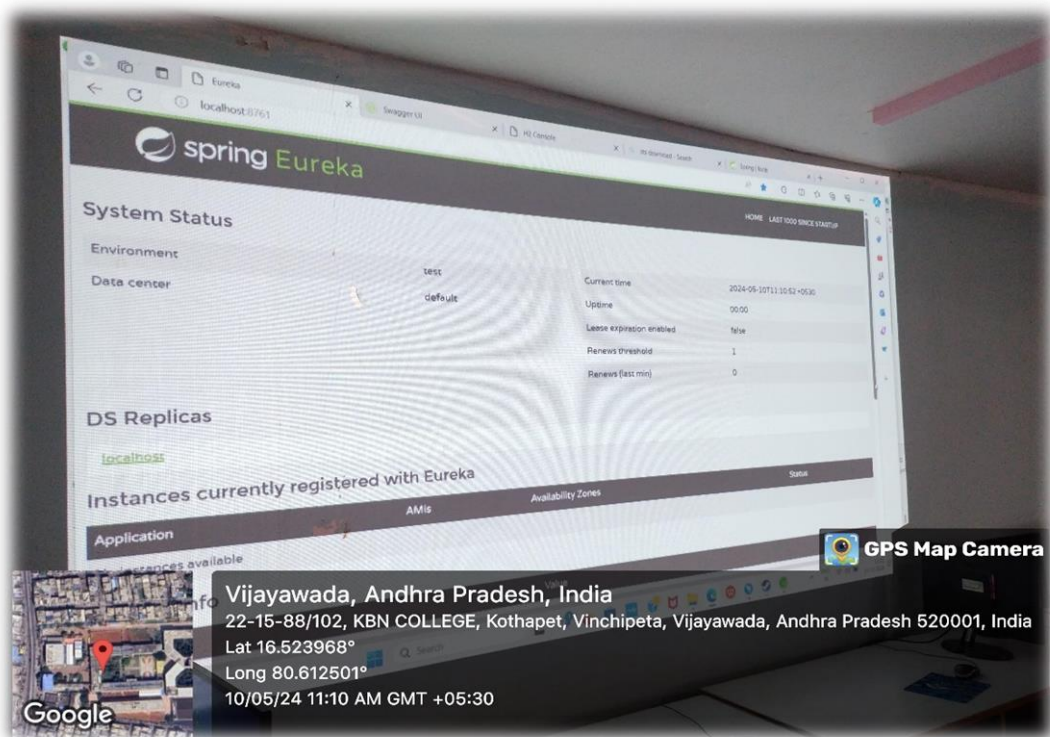

Topics Covered:

He gave introduction of Spring Boot Application

Spring Boot helps you to create stand-alone, production-grade Spring-based applications that you can run.

- Easy deployment
- Simple scalability
- Compatible with Containers
- Minimum configuration
- Lesser production time
- It provides a flexible way to configure Java Beans, XML configurations, and Database Transactions

Hand's on Session in Deploying Spring Application

Conclusion & Outcomes

By this guest lecture, the students have gained the knowledge about the Spring Boot Application and its Deployment,

Total No. of Participants: **102**

Felicitation for Resource Person
