### **Student Workshop on ‘Waste Management Methods’**

**Organized by  
UGC Women’s Studies Centre**

**6<sup>th</sup> October, 2021**

**To educate students and provide them with holistic understanding of solid waste management issues, UGC Women’s Studies Centre of KBN College, organized a Student Workshop on ‘Waste Management Methods’ on 6<sup>th</sup> October, 2021 Mrs. Anjali Yalamanchali, Women and Child Activist Director and Producer was the guest.**

**During this workshop, students learned about the many methods that diverse materials are separated, processed, or recycled, the negative consequences of faulty or incorrect solid waste management techniques, optimum solid waste management practises, and the significance of adequate sanitization. The key message communicated throughout this workshop was to limit waste production so that we wouldn't have to segregate.**
