

INTERNATIONAL WOMEN'S DAY CELEBRATIONS – 2023 (07-03-2023)

International Women's Day is a global call for an equal future, where women are free from stigma, stereotypes, and violence. It envisions a sustainable, peaceful world with equal rights and opportunities for all. To reach this goal, it is crucial to have women represented at decision-making tables worldwide. In honour of International Women's Day on March 8, 2023, UN Women has declared the theme "Digital: Innovation and Technology for Gender Equality." The aim is to ignite discussions on why equal opportunities alone are insufficient.

As part of the celebration, the dedicated women staff initiated a scholarship program for deserving female students pursuing Intermediate, Degree, and Postgraduate courses. To raise funds for these scholarships, a Food Fest was organized on March 6, 2023, with the active participation of all women staff. This successful event raised a commendable sum of Rs. 30,000.

On March 7, 2023, our college came together to celebrate International Women's Day. Ms. M. Madhuri, M.R.O West, graced the occasion as the chief guest. She shared her personal and professional journey as a woman and emphasized the importance of women seizing opportunities in all fields. The chief guest, alongside other distinguished guests on the stage, distributed the scholarship funds to the deserving students. Additionally, the top three contributors to the Food Fest were honored with prizes, demonstrating the collective efforts of the women staff.

The event was attended by our esteemed principal, Dr. V. Narayana Rao, Smt. M. Lakshmi Prasanna, Convenor of the UGC Women Studies Centre, committee members, as well as all the women staff and students, who actively participated in this inspiring program.
