

## Guest Lecture **Bio Inorganic Chemistry** (29-11-21)

Department of Chemistry conducted a guest lecture on Bio Inorganic Chemistry by **Dr. K. Balamurali, Assistant Professor, Dept. Of Chemistry, Acharya Nagarjuna University, Guntur** on 29<sup>th</sup> November, 2021 to Final B.Sc CBZ, MCCS and MPC students.

He discussed on structures and biological functions of inorganic biological substances, that is, those not containing carbon, such as metals. He also explained about typical bioactive substances containing metals, chemical reactions of metalloenzymes, Examples of actions of metals other than by metalloenzymes etc.
