**Organized by: Department of English**

**25<sup>th</sup> January, 2024**

Department of English conducted a guest lecture on Life Skills: Achieving goals/Dreams. With Dr. M. Koteswara Rao, Associate Professor, Department of English, Krishna University on 25<sup>th</sup> January, 2024.

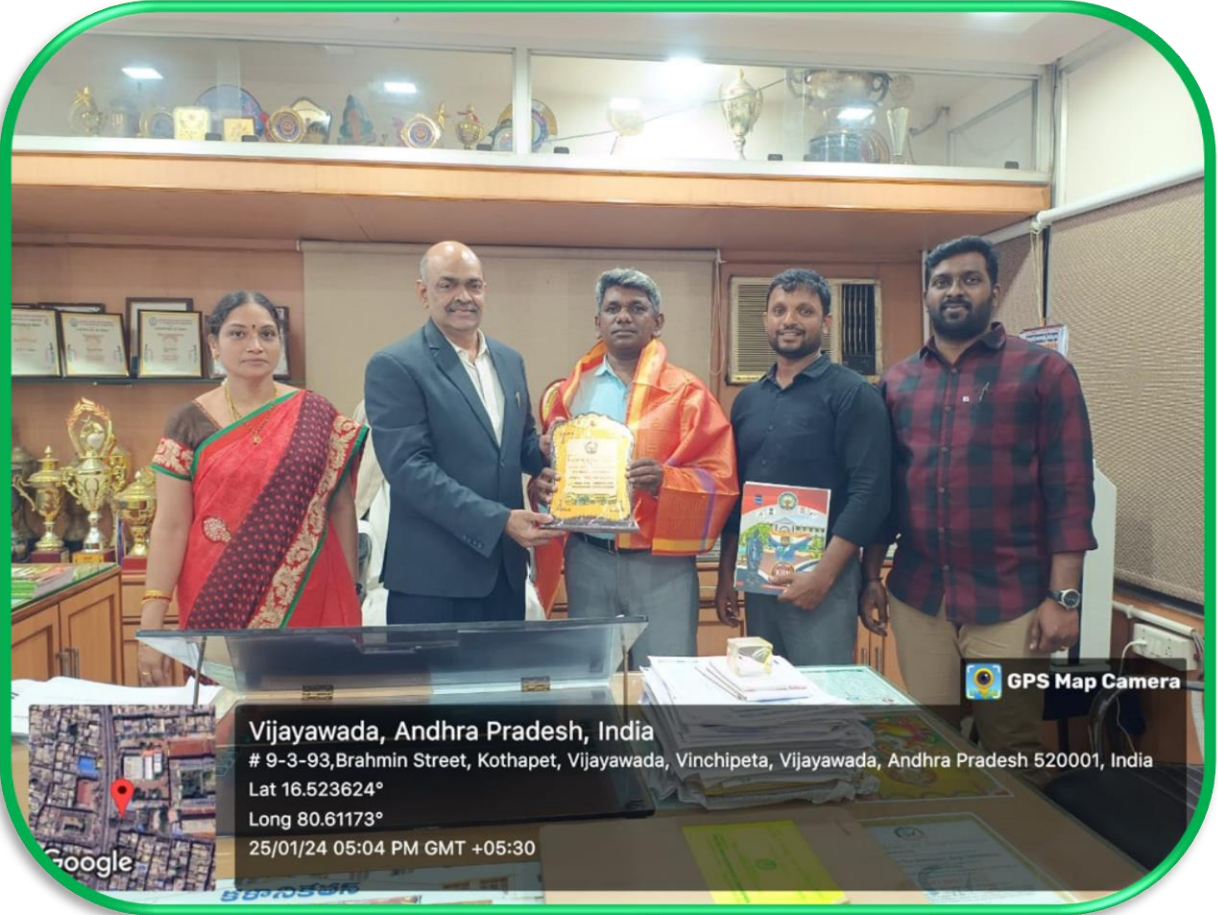

Students have objectives, but they don't know how to achieve them, therefore they live in constant fear of failing to meet their objectives. Dr. Koteswara Rao, the resource person suggested three key ideas to look into:

1. You are the source of both the problem and the solution.
2. Keep your objective a secret from everyone.
3. You must endure and work tirelessly to reach your goal. Only then will you be able to fulfil your goals.

He illustrated several incidents from the lives of others including boxing legendary Muhammad Ali, Stephen Hawkin etc. to motivate the student flock and to help them understand what they are. Dr. V. Narayana Rao, Principal of the college gave his introductory remarks, Dr. H. Narendra Kumar, Head Department of English introduced the Resource Person. 150 students along with other faculty Members Mr. B. Mohan Teja and Mrs. K. Radha participated in this program.
