

Faculty Development Programme

"Enhancing Research Skills: From Methodology to Publication"

(29th July, 2024)

The **Internal Quality Assurance Cell (IQAC)** and the **Research and Development Cell** at KBN College organized a Faculty Development Programme (FDP) titled "**Enhancing Research Skills: From Methodology to Publication**" on **29th July, 2024**. The event aimed to provide faculty members with comprehensive training on research methodologies and the publication process.

The programme featured four distinguished resource persons who shared their expertise and insights:

- 1. Dr. M. Krishna Siva Prasad, Research Coordinator, Department of Computer Science, SRM University**
- 2. Dr. Ch. Jaya Sankar Prasad, Associate Professor, Department of Management Studies, Krishna University**
- 3. Prof. R. Venkatnadh, Research Director, Department of Chemistry, GITAM University, Bengaluru**
- 4. Dr. H. Narendra Kumar, Assistant Professor, Department of English, KBN College**

To ensure the effective implementation of the programme, the faculty members were divided into four groups based on their disciplines: Computer Science, Commerce and Management, Sciences, and Languages. Each group received specialized training tailored to their respective fields, ensuring that the content was relevant and impactful.

Programme Highlights:

Dr. M. Krishna Siva Prasad led the Computer Science group, focusing on advanced research methodologies, data analysis, and publication strategies specific to computer science research.

Dr. Ch. Jaya Sankar Prasad guided the Commerce and Management group through the intricacies of management research, including data collection techniques, statistical analysis, and effective communication of research findings.

Prof. R. Venkatnadh provided insights to the Sciences group, covering various aspects of scientific research, experimental design, and the publication process in high-impact journals.

Dr. H. Narendra Kumar engaged the Languages group, emphasizing qualitative research methods, literature reviews, and the nuances of publishing in the humanities.

The Faculty Development Programme aimed to equip educators with the skills necessary to conduct high-quality research and publish their findings in reputed journals. Participants were provided with practical tips, hands-on experience, and personalized feedback to enhance their research capabilities.

The event concluded with a feedback session, where participants expressed their appreciation for the opportunity to learn from distinguished experts. The programme not only empowered the faculty members but also highlighted KBN College's commitment to fostering a culture of research excellence and continuous professional development.

Dr. V. Narayana Rao, Principal of KBN College, emphasized the importance of such developmental programmes in enhancing the research skills of faculty members, ultimately benefiting the academic community. He also expressed gratitude to the resource persons for their valuable contributions and the organizing team for their efforts in making the event a success.

This Faculty Development Programme is a testament to KBN College's dedication to promoting research and innovation, providing a platform for faculty members to enhance their skills and contribute to the advancement of knowledge.
