INAUGURAL SESSION - 10th JUNE, 2020 @ 10 A.M

PRESIDED BY

Dr. V. Narayana Rao

Principal, KBN College

KEYNOTE SPEAKER

Prof. K. Rama Mohan Rao

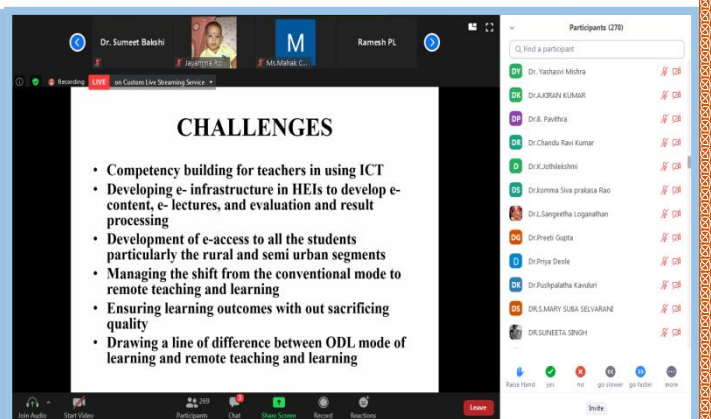

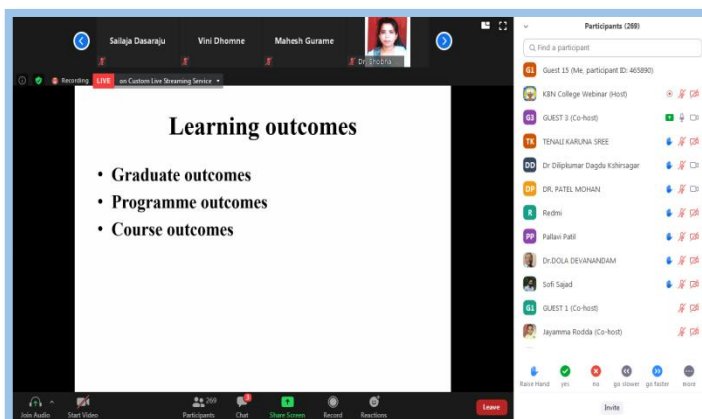

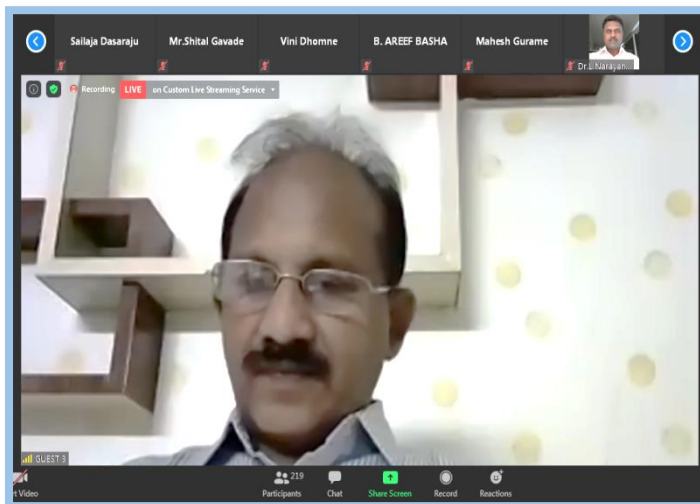

Vice-Chairman, APSCHE

**Welcome address by Principal
Dr. V. Narayana Rao**

DAY – I – 10TH JUNE, 2020 - SESSION - I

Lecture by Prof. K. Rama Mohan Rao, Vice – Chairman, APSCHE

Report

Inaugural Session Report:

Principal Dr. V. Narayana Rao has given his opening remarks on today's session. Initially he thanked the APSICHE for their collaboration and support. He also thanked the IQAC of K.B.N College for organizing this webinar on the most contemporary topic and congratulated the co-coordinator of the webinar Dr. P. Bharathi Devi and other faculty members. He cordially welcomed the participants. He said that Digital Education is the integral approach for education in the present scenario. He noted that Digital Education actually fills the gap. He remarked that, this webinar will definitely help the academicians and teachers in designing their curriculum online, and it is definitely a beneficial one to all the participants and they can enrich a lot from this webinar.

Session – 1 - Timings: 10:30 to 11:30 am

Resource Person: Prof. K. Rama Mohan Rao, Vice – Chairman, APSICHE.

Topic: Redesigning of Teaching, Learning & Evaluation Process in COVID - 19

Session In-Charge: Ms. R. Jayamma, Asst. Prof. in M.Sc. (CS)

The keynote speaker of this session was Prof. K. Ram Mohan Rao, Vice Chairman, APSICHE. He Congratulated the K.B.N College for organizing this Webinar. In his keynote address he discussed various issues on the present pandemic situation in a broader sense. He suggested the methods to follow in Re-designing the Teaching Learning and Evaluation process during COVID19.

He spoke about Pros and Cons of the Remote Teaching:

He noted that the highest challenge is Competency building. He made an analysis of how things are going to be and what measures teachers should take to enrich themselves and to enlighten the students as well. He considered that Teachers should obtain knowledge about online tools for Remote Teaching. He wished participants for their active participation in this Webinar.

DAY – I – 10TH JUNE, 2020 - SESSION - II

UGC Sponsored Four-Day National Webinar on
“Impact of COVID – 19 on Educational Sector in India and Strategies to Face the Pandemic”
Day – I – 10th June, 2020

Resource Person	Session Time	Topic
 Dr. Illa Ravi Principal, SRR & CVR Govt. Degree College, Vijayawada	Session – II 11.30 am-01.00 pm	Measures for Social Distancing & Safety in the Campus

Dr. Illa Ravi, Principal, SRR & CVR Govt. Degree College explaining about the measures for social distancing

Session – 2 - Timings: 11:30 to 01:00 pm

Resource Person: Dr. Illa Ravi, Principal, SRR & CVR Govt. Degree College, VJA.

Topic: Measures for Social Distancing & Safety in the Campus

Session In-Charge: Smt. L. Sravani, Asst. Prof. in MCA

In the second session Dr. Illa Ravi focused on the Measures for Social Distancing & Safety in the Campus. He said though we may not get along with each other like before due to physical distancing raised by this pandemic, but it cannot become a barrier for our learning. He mentioned the following points in his speech regarding COVID-19 and measures to be taken to face it.

- ✓ **Uncertainties to be solved in campus**
- ✓ **Concrete measures to be taken in academic activities**
- ✓ **Importance of collective learning, college living with all the students.**
- ✓ **Measures to be taken by college on social distancing.**
- ✓ **Different challenges to be faced by the college with respect to students, Classrooms which is more vulnerable cause of COVID-19.**
- ✓ **Sustainability of the Institution in this pandemic and sorting it.**
- ✓ **How to handle students gathering**
- ✓ **Staggering of Time – Tables**
- ✓ **Safety measures in Classrooms**
- ✓ **Awareness about the situation among the students**
- ✓ **Protocols and safety measures to be followed by colleges.**

He wished that we will be in good stage free from COVID19.

Report

Session - 3 -Timings: 10:00 to 11:30 am

Resource Person: Dr. B. Surendranath Reddy, Institutional NAAC Core Member & Assistant Professor, School of Mathematical Sciences, S.R.T.M. University, Nanded.

Topic: Google Forms Vs. Microsoft Forms

Session In-Charge: Dr. H. Narendra Kumar, Lecturer in English

Dr. B. Surendraath Reddy, Institutional NAAC Core Member & Assistant Professor, School of Mathematical Sciences, S.R.T.M. University, Nanded was the resource person on the 2nd Day i.e. 11th June, 2020 first Session. The topic of his presentation was Google Forms Vs. Microsoft Forms. He started with sharing his personal opinion on the advantages and disadvantages of Google Forms and Microsoft forms. He did not spoke much on Microsoft forms but suggested the participants to go through the videos, prepared by him and uploaded in YouTube for a better understanding on Google Forms. He explained the advantages and disadvantages of Google Forms and Microsoft Forms from his observations.

Google Forms are well known and most popular among other forms. He said varieties of questions are available in Google forms and there are plenty of add-ons for more powerful forms.

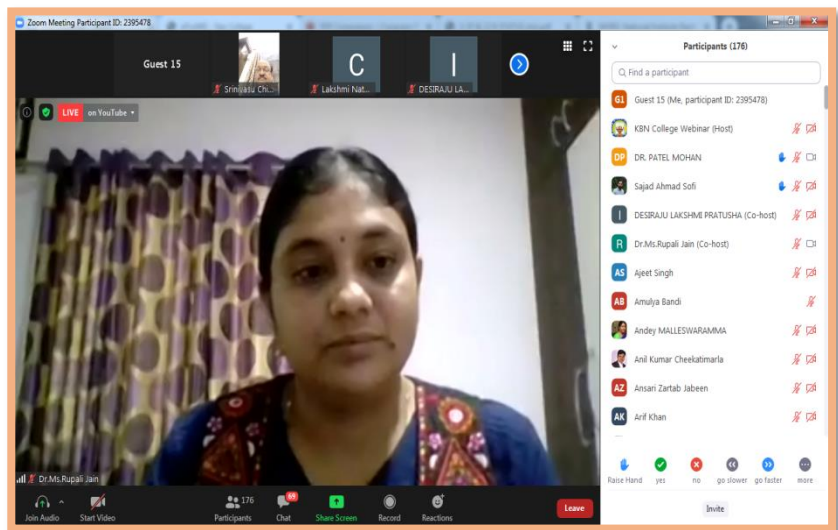

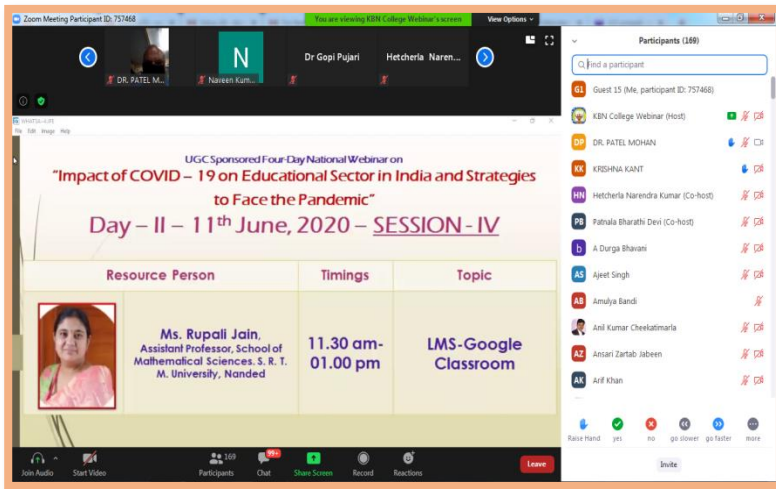

As a disadvantage, there is no Google form available to support Mathematics and there is no straight forward way to support or download the analysis. He had elaborated practically on the use of Microsoft forms which is a new area to many of the teachers.

Microsoft forms though young to Google Forms, have variety of themes to make forms look beautiful. He said Microsoft forms besides being useful for other platforms it is useful for mathematics teacher.

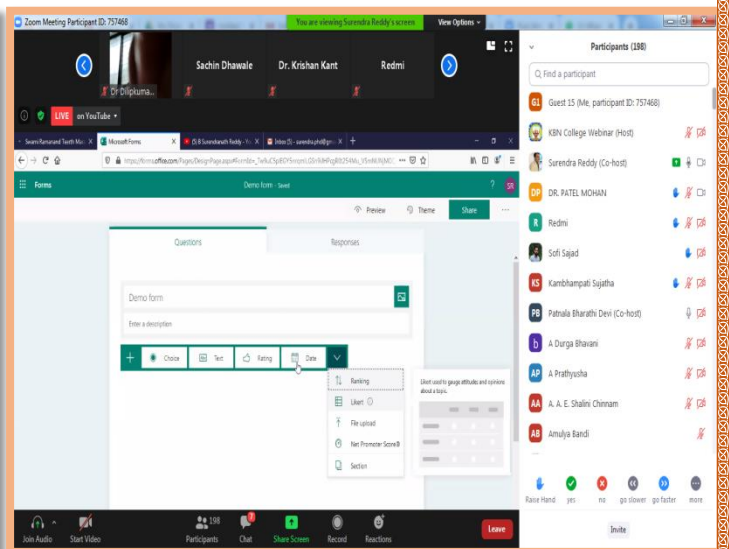

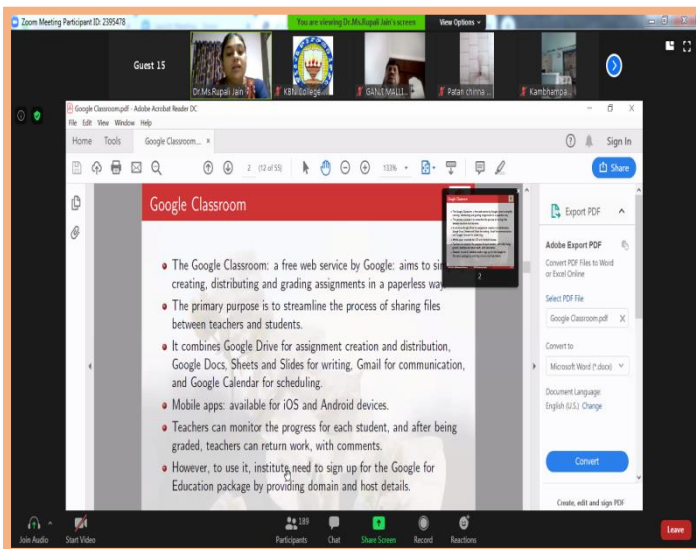

He had also given a clear idea on ICT tools such as Google Forms, Google Form Quiz, Google classroom, Edmodo, Testmoz, Certify'em and Google forms for administration. Finally he affirmed that though Microsoft forms have better advantages than Google forms, still Google forms are useful in many ways.

At the end of the session he received good number of questions from the participants which were addressed patiently by the speaker. All the participants congratulated the speakers for the vibrancy and clarity in his information.

DAY – II – 11TH JUNE, 2020 - SESSION - IV

Dr. Rupali Jain, Asst. Prof. School of Mathematical Sciences, SRTM University, Nanded about LMS

Report

Session - 4 -Timings: 11:30 to 01:00 pm

Resource Person: Dr. Rupali Jain, Assistant Professor, School of Mathematical Sciences, S.R.T.M. University, Nanded.

Topic: LMS-Google Classroom

Session In-Charge: Ms. D. L. Pratyusha, Asst. Prof. in MBA

The session titled, “Google Classroom as a Learning Management System (LMS)” has started at 11.40 A.M. The speaker of the session is Dr. Rupali Jain.

The speaker of the session revealed the core existence of Google classroom, i.e, teaching for a class with technical support, teaching with no paper support and to facilitate the students. A Google Classroom is a platform used in teaching and learning digitally under single roof. The resource person has created awareness on creating the Google classroom, the approach of adding students/participants into the classroom, the way of assigning tasks to the members, checking the status of participants who viewed the information shared. Finally, grading the tasks.

The speaker has presented live screen demo of a Google classroom, and the various options available. Such as how to give announcement to the students, how to share the student ideas through Google classroom, how to send messages privately while grading the marks to an assignment and the options available to conduct a quiz programme, a question paper with multiple choice questions and the options available to grade the assigned tasks.

The session was ended by clarifying the questions asked by the participants and she received a good appreciation from the participants.

Dr. B. Surendranath Reddy, Institutional NAAC Core Member, Asst. Prof. School of Mathematical Sciences, SRTM University, Nanded about 'Preparing Online Lectures'

Report

Session - 5 -Timings: 10:00 to 11:30 am

Resource Person: Dr. B. Surendranath Reddy, Institutional NAAC Core Member & Assistant Professor, School of Mathematical Sciences, S.R.T.M. University, Nanded.

Topic: Preparing Online Lectures using free softwares

Session In-Charge: Ms. G. Geetha Pavani, Lecturer in Computers

In this session, he explained the importance of recording lectures through online during this COVID period and also the importance of giving live lectures through YouTube live stream. He mentioned the following in his speech.

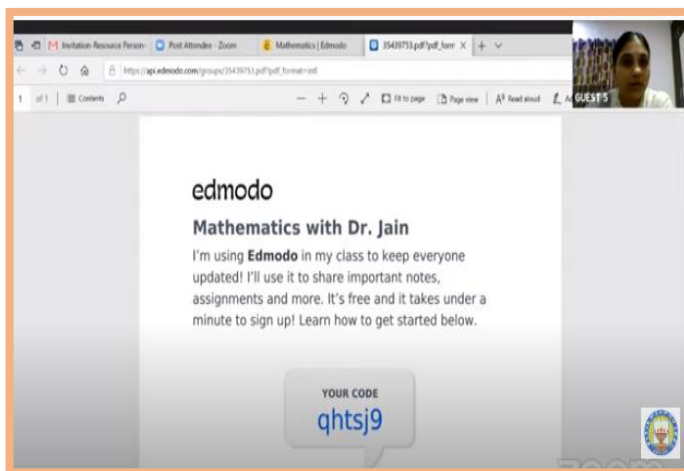

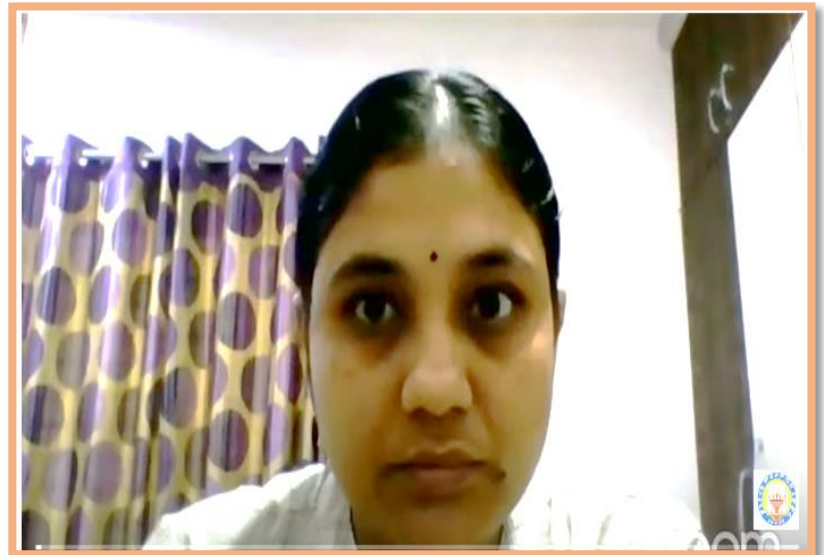

- We use different platforms to deliver online lecture we can develop through LMS
- Platforms for delivering online lecture includes ZOOM, WebEx, Google meet.
- OBS (open broad caster software) is used for online classes which is absolutely free and open source.
- We don't need any internet connection for recording and for uploading. we require the connection.
- We can go live streaming in YouTube using OBS.
- While designing the online lectures we have to observe that each slide should contain limited and exact content.
- To grab the audience attention, restrict the video to 50 minutes.
- Some of the tools which are used for effective online lecture includes Virtual Board, Pentablet, Epic Pen, Xournal ++
- Xournal++ is an hand writing tool which is open source and mainly used for mathematical purposes.

Lecture by Dr. Rupali Jain, Asst. Prof. School of Mathematical Sciences, SRTM University, Nanded

Report

Session - 6 -Timings: 11:30 to 01:00 pm

Resource Person: Dr. Rupali Jain, Assistant Professor, School of Mathematical Sciences, S.R.T.M. University, Nanded.

Topic: LMS-EDMODO

Session In-Charge: Mr. VTR Pawan Kumar, Asst. Prof. in MCA

She started the session by recollecting the yesterday session of Google classroom and mentioned the differences between Google Classroom and EDMODO. She discussed the following points in her lecture.

- Edmodo is an easy way to get your students connected, so they can safely collaborate, get and stay organized, and access assignments, grades, and school...
- Edmodo login contains 3 types Teacher, student, and parents
- Edmodo login can be done through Gmail also.
- Creating a class in Edmodo is same as in Google class room.
- We can create assignments, quiz in Edmodo.
- To invite the participant's we can share the class code
- Using Edmodo we can create Unique profile URL.
- We can assign the grade points for the assignment's submitted by the students and we upload pdf files.
- We can view the overall progress of a particular student based on the assignments, quiz submission.
- We can send messages, share class materials, and make learning accessible anywhere. Save yourself time by bringing all your classroom tools together.
- Edmodo gives teachers the tools to share lessons, keep parents updated, and build a vibrant classroom community.

Resource Person	Timings	Topic
 Dr. B. Ravikanth, SRKR Engineering College, Bhimavaram	10.00 am- 1.00 pm	Psychological Issues among Students, Faculty and Parents due to Pandemic

Challenges to be Addressed

- Till date students are not taught **SELF LEARNING**
- How do we manage the **ATTENTION** of the Students?
- The best **TEACHER** may not look **ATTRACTIVE**
- Every Teacher has a **UNIQUE TEACHING STYLE**
- Fool Proof **EVALUATION SYSTEM**
- Nothing like **LIVE COVERSATION**
- Absence of **SOCIAL LEARNING**
- Severe impact on **TEACHERS**
- **STUDENTS RESPONSIBILITY** Increases
- Teachers have to **burnout** to correct online notes,

PRECAUTIONS WHILE TRAVELLING

- Always wear mask and gloves when leaving the home.
- In bag carry hand sanitizer, tissues.
- Carry less books.
- Bags and footwear should be washable.
- Avoid wearing ornaments outside.

Dr. B. Ravikanth, Asst. Prof. & I/c Career Development Centre, SRKR Engineering College, Bhimavaram discussing about challenges of COVID-19

Report

Session – 7 & 8 -Timings: 10:00 to 01:00 pm

Resource Person: Dr. B. Ravikanth, Asst. Prof. & I/C Career Development Centre, SRKR Engineering College, Bhimavaram.

Topic: Psychological Issues among Students, Faculty and Parents due to Pandemic

Session In-Charge: Ms. R. Jayamma, Asst. Prof. in M.Sc. (CS) & Mr. S. Vasu, Lecturer in Computers

The speaker of the session has discussed about the effect of Covid-19 on education sector, vedic psychology for integrated learning, various challenges of online teaching and learning. The speaker first explained about Corona virus and the symptoms the sufferer undergoes. Care to be taken in respect of infants, disease sufferers and the importance of social distancing. He revealed the possibilities to overcome this pandemic situation, vaccine discovery, partial lockdown, strict lockdown. At this situation, students of graduation and other higher studies have to plan themselves and be ready for the family environment, industry, society, country.

The speaker has shown few PPTs to the participants in live, he revealed the importance of physical presence of student in the campus, the student can watch and observe different employees working in the campus, right from watchman to principal, can understand the heritage of institution, learn togetherness, having fun, involvement in sports, cultural events, learn adjustments, sacrifices, life lessons from the visitors.

He spoke about inner learning, its components like patience, self-denial, self-mastery yoga, concentration and outer leaning, its components like Vedas, vedangas, philosophy, debating, laws, itihisas, dharma sutras. He revealed the

challenges of online learning like students mastering inner learning, learning tolerance, discover the deeper layers of personality.

The speaker revealed the behaviour of a student like limited interaction and respect among members, no goals, enters into fashionable education, influence of media, and friends, may get a job in MNC and fly abroad, who grow vertically and die horizontally.

The challenges faced by teachers and students in such situations are currently students cannot be taught self-learning, managing attention of students, no proper evaluation system, nothing like live conversation, absence of social learning, severe impact on teachers, student responsibility increases, teachers are effected of online evaluation.

At the end, some of the videos sent by participants to face this pandemic, were played and participants feedback has taken. Sri E.Varaparasad, in his president closing remarks congratulated the team of IQAC for successfully organizing this webinar. Finally, the session ended with a formal vote of thanks by Dr.P. Bharathi devi.

UGC Sponsored Four-Day National Webinar on
"Impact of COVID-19 on Educational Sector in India and
Strategies to Face the Pandemic"
10th - 13th June, 2020
Organized by
Internal Quality Assurance Cell (IQAC)
In collaboration with
Andhra Pradesh State Council of Higher Education (APSICHE)

ISO 9001:2015 NAAC 'A' GRADE CYCLE 3
K.B.N. COLLEGE (AUTONOMOUS)
Sponsored by S.K.P.V.V. Hindu High Schools' Committee
Kothapeta, Vijayawada - 520001.
A College with Potential for Excellence (CPE)
All India 92nd Rank in NIRF by MHRD (2017)

ABOUT THE COLLEGE:
Kakaraparti Bhavanarayana College is a vivacious outcome of a century old renowned charitable organization, S.K.P.V.V. Hindu High Schools Society with "Tejaswina Vardheethamasthu" as its motto. Since its inception in 1965, it marked an epoch in innovative education, in an academically and economically impoverished area. The college with heightened social imagination and ardent zeal, shone like a lodestar led innumerable students towards the goal of an illustrious life.

The ever vibrant college grew by leaps and bounds and has evolved with times. It has been adorned with the Autonomous status by the UGC in the year 2010, and received "Best Laboratory", "Best Academic Achievement", "Best Library", "Best NSS Unit" awards. The College has never rested on its laurels and has been relentlessly raising the bar. It is certified with ISO 9001-2015 which has been given for Quality Management Standard and accorded with CPE in 2016 by UGC. It has been reaccredited with "A" Grade by NAAC in 2019.

ABOUT IQAC:
Quality assurance and enhancement is a continuous process, for which Internal Quality Assurance Cell (IQAC) has been constituted in K.B.N. College in the year 2005. Since then IQAC has evolved mechanisms and procedures for the predefined objectives by formation of different committees. IQAC functions as an advisory body to the college on academic and research activities, infrastructure development, students' welfare schemes and extension activities. It facilitates various activities for the overall development of the college in the consonance with the challenges of Higher Education at the Local, National and Global levels. IQAC is made effective which may serve as a powerful tool for efficient administration in the institution.

Topics to be covered in the Webinar

- Redesigning of Teaching, Learning and Evaluation Process in COVID-19
- Measures for Social Distancing & Safety in the Campus
- Learning Management System- Google Classroom
- Google Forms Vs. Microsoft Forms
- Learning Management System- Edmodo
- Preparing Online Lectures using free softwares
- Psychological issues among students, faculty and parents due to pandemic

NOTE: Participants can share their ideas to overcome this pandemic with us.
Record a video of your idea
The best ideas of first 12 participants will be played in webinar. The maximum video length is 5 minutes. Send the video to: iqac@kbncollege.ac.in / WhatsApp to 9985103102 on or before 08.06.2020.
