Student Exchange and Enrichment Programme

“The student Exchange and Enrichment programme” to the students of Sir C R Reddy college, Eluru was organised by The Department of Mathematics and Statistics on 30-11-2021.

Objective of the Programme:

- You will experience a completely new way of life
- You will expand your employment opportunities
- You will experience different styles of Education
- You can take the opportunity to learn a new language
- You will make new friends from around.

As part of Student exchange and enrichment programme, the faculty from the Department conducted classes on various topics.

The staff and students of Sir C R Reddy college had visited and viewed our labs and library of our college.

Outcomes of the programme:

By taking these classes, students had gained a lot of knowledge regarding mathematics subject and career opportunities.
