

3. MEET THE CEO’ programme on 29.12.18,Sri Prasad, CEO of Three Edge Solutions, Chennai.

REPORT:

We get people with skills set easily but not with right attitude. People with right competencies and attitude will find the way easy in their career paths. Having balance in attitude and approach is key for success”, remarked Sri Prasad, CEO of Three Edge Solutions, Chennai. While interacting with the MBA students of KBN College, as part of ‘MEET THE CEO’ programme on 29.12.18, Mr Prasad said that competencies and effectiveness are two sides of the coin and at the end companies are more interested to have results. Hence Students must understand the dynamics of the industry and learn those skills to match the requirements of the industry.

He advised the students to find out opportunities which they can capitalize upon. He cautioned that challenges are prevalent everywhere feeling sorry is not a solution. Students have to rise to the occasion and prove their mettle. He emphasized the need to compartmentalize both Personal and Professional life and not to carry away the emotions of professional life to personal and vice versa in order to balance life. Later he answered the queries of the students.

The programme is will attended by over 100 students and faculty members of MBA Department. Sri T. Chandrasekhar Rao, CEO of Vilan Apparels (P) Ltd., coordinated the programme. Sri T. Srinivasu, Secretary & Correspondent of KBN College, Prof V.NarasimhaRao, Director, PG Centre and Senior faculty members Dr.Mazharunnisa and Dr.Sivaji Ganesh and other faculty members participated.
