

## **MBA BEST PRACTICE**

### **1. Title: BUSINESS LABS**

### **2. Goals:**

This Practice is introduced with the following objectives.

- To enhance and enrich the soft skills of the students.
- To bring sensitively among the students on various aspects of business situations
- To motivate students to develop creative thinking and problem solving skills.
- To equip the student to meet the Industry requirements and employable.

### **3. Context:**

Changing environment in business, require people with strong conceptual, analytical, problem solving skills and communicational skills accomplish the jobs with intended results. Hence there is need for skill development among the students to take up the challenges and prepare them industry ready. Considering these realities, the Department has started this Innovative practice.

### **4. The practice:**

The Practice has been designed to achieve the intended objectives. Four hours of Business Lab is being conducted for students of each class per week. Concerned faculty member in charges of this practice will plan the activities well in advance and execute them in the labs. There will be constant monitoring of progress of students by the faculty concerned on a regular basis. Some of the tools used in the lab for enhancing and enriching the employable skills of the students are: Role Plays, Group Discussions, Business Games, Presentations, personality development programmes and Mock Interviews.

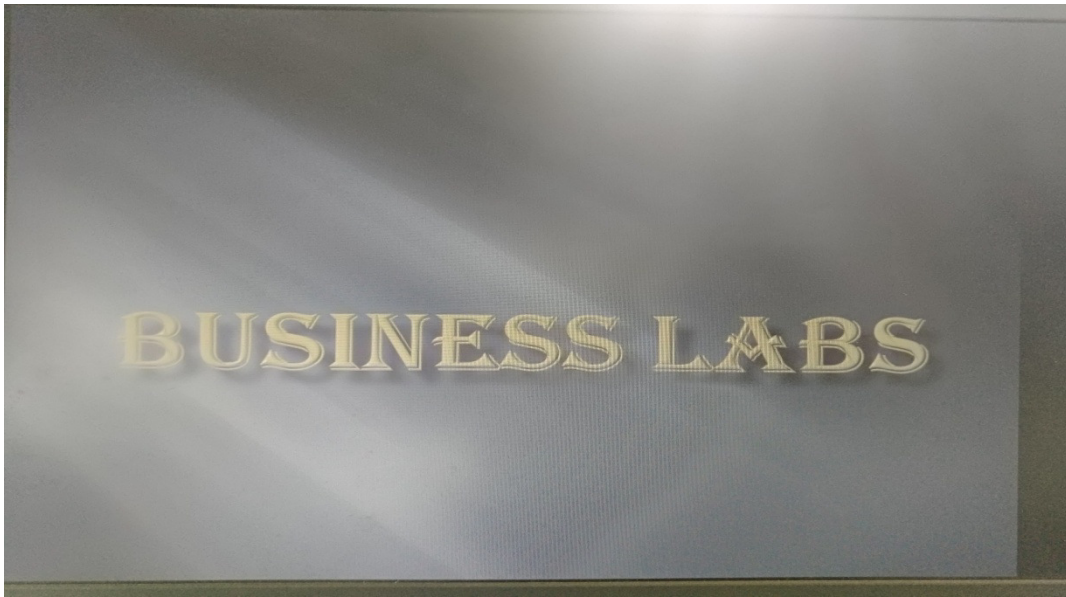

### **5. Evidence of success:**

Increase in the campus placement of students year after year stands testimony to the Improvement in the overall personality of the students at the end of their Course and students winning prizes at major B- School Meets also prove that, the practice is very much effective and achieved the intended results.

## 6. Problems Encountered:

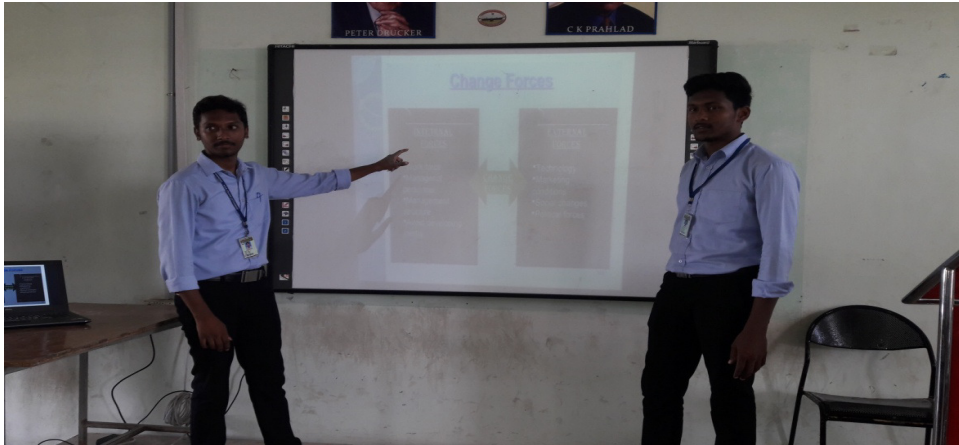

Most of the students take admission for MBA Course come from rural back ground and are native Telugu speakers. They were very shy to express their views. After repeated motivational sessions they slowly started to engage themselves in the programs.
