Organized by

Department of M.Sc. (CS) & MCA

The Departments of M. Sc. (CS) and MCA have organized an Alumni Interaction session for the MCA and M.Sc. (CS) Students on Saturday 25th July 2020 at 12.00 noon. The Alumni for the interaction session was Mr. Siva Yenumala, Sr. Associate, JP Morgan Chase, Bangalore.
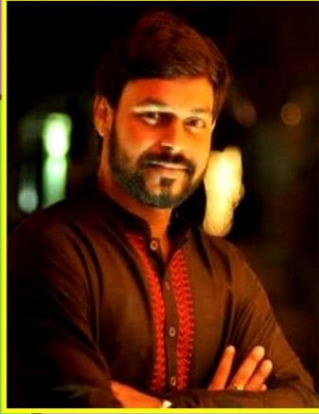

It was a very interactive session. Students interacted with Mr. Siva and he gave many advices for the career in software industry.

♣ He discussed about the various training programs offered by the industry.

♣ He explained about the skill set needed by the students to be hired by the industry. One should have the basic and necessary skills like Problem solving skills, logical thinking. And also the talents like preparing well in advance for the things and flexible to adapt the changes are also needed for the career establishment as an IT Professional.

♣ On students request he shared his experiences and his journey in the software industry, which was very motivational for the students. In his talk he said that he was 2010 MCA passed out from our college and he is very much pleased for his interaction.

♣ He also gave the tips and Techniques to face the interview.

♣ During their college education itself students should be proficient enough to join in Level 5 companies. More over confidence is a must to face the interview.

♣ Students have asked many doubts and got clarified by Mr. Siva. On the whole Students cherished a lot from this interactive session.
