BEST PRACTICE

Title: Free Coaching for ICET

Objectives:

- Creating a comprehensive understanding of the subjects
- Help developing strategies to meet arduous competitions among the students to match, excel & ameliorate the competition oriented education.
- Develop a decision strategy to support the practice vision and standards to achieve goals.
- Establish standards and develop skill sets to strengthen communication.
- Nurturing talent & aptitude & including perseverance among the students to keep themselves abreast of the latest developments in the field of competitive examinations.

Context:

At a young developing age, it is very important for a student to build a strong foundation. To fight the most prestigious examination of the nation, which lakhs of students from all around the country take, one needs an extra edge over others. Our department faculty provide ICET coaching to the students to prepare them for the national competition focusing specifically on the exam pattern.

Practice:

Our department faculty team help the students prepare for the competition focusing specifically on the exam pattern. And shortcuts and easy methods to solve the problems are explained. We give free coaching to the students in the

areas Aptitude, Reasoning, English and Computer basics. Online mock tests are provided to the students to face the exam successfully.

Evidence of Success:

- ❖ Students were shown great enthusiasm and eagerness in the coaching classes with to learn the subject.
- ❖ Students who have taken coaching have secured ranks and some of them have joined for post-graduation MCA in our college itself.
- ❖ They secured good ranks and got admission in MCA in various colleges of Krishna University and Nagarjuna University.

Problems Encountered & Resources Required:-

Students were counselled and motivated regularly to make the attendance since it was challenging to make the students come regular to attend the classes.
