## Cancer Awareness Programme – 4<sup>th</sup> February, 2021 – Report

'It is easy to defeat Cancer, when diagnosed early'. NSS Units of KBN College has organized programme on account of World Cancer Day on 4<sup>th</sup> February, 2021. Dr. Kota Rajesh from American Oncology Institute was the Chief Guest. In his address he said, early diagnosis of cancer can help detecting symptomatic patients as early as possible, so as to have the best chance for successful treatment. When cancer care is delayed or inaccessible there is a lower chance of survival, greater problems associated with treatment and higher costs of care. The reports say in every four cancer patients one is from India. He also suggested that when a person is diagnosed with cancer it doesn't mean the end of life. Hence, everyone should have a proper awareness on cancer and change their lifestyle accordingly to prevent and diagnose cancer in its early stage. Principal Sri E. Vara Prasad, NSS Coordinators Sri J. Panduranga Rao, Ms. G. Geetha Pavani and Sri D. Pavan Kumar participated in this programme.

### COVID TESTS - 2020

24<sup>th</sup> November to 4<sup>th</sup> December, 2020

Universities and College campuses are the places where students live and study in close proximity to each other. They are also buzzing cultural hubs where students are brought together from nations around the world. Recently, the foundations of this unique ecosystem have been impacted significantly by the rapid spread of the coronavirus (Covid-19) outbreak, creating uncertainty regarding the implications for higher education. KBN College initiated a practice to break the spread of COVID among staff and students. The NSS Units of KBN College organized COVID Tests for both students and staff within the college premises from 24<sup>th</sup> November to 4<sup>th</sup> December, 2020 by following all COVID precautions. These Tests were conducted in association with the Medical Association of Vijayawada. Tested positive students got necessary treatment and isolation details from the medical association. They suggested to consult COVID related hospitals for a better treatment.
