Report

Reference address by the Hon'ble Prime Minister during the Annual NCC Rally on 28. Jan 2021, wherein the Hon'ble Prime Minister has made an appeal to all the NCC Cadets to get associated with the revamped gallantry awards portal <https://cigallantrvawardsmov.in> and engage themselves with the activities provided therein in honour of our bravehearts.

The revamped Gallantry Awards portal with new enriched content, graphics and participate features to celebrate the bravery and heroism of our soldiers has been launched by Hon'ble Raksha Mantri on the eve of Republic Day on 25. Jan, 2021. The new portal contains many interactive features like Quiz competition, 'Seine for brave hearts' initiative, motivational videos, war histories etc. along with provision for paying tributes to the brave hearts and registering pledge in solidarity of our valiant soldiers.

In view of the clarion call given by Hon'ble Prime Minister, It is requested to ensure that all NCC Cadets, officers and staff of the NCC organization register themselves on the portal [ht-ww/cigallantrvawards.clov.in](https://cigallantrvawards.clov.in) by taking pledge and paying tributes to the martyrs, and also participate in various events hosted on the website. A timeline may be devised by DG, NCC for this purpose, and action taken report may be sent to this Ministry by 10.02.2021. 28 Cadets participated in this Programme.

Pledge:

I hereby pledge to serve my country with honour till my last breath. I will always put my nation before self. I will positively contribute for the development of my Country in my present capacity and to the best of my ability.
