TRAFFIC AWARENESS PROGRAMME

19th September, 2018

Organized by: NSS Units

REPORT

West ACP (Traffic) Sri Murali Krishna exhorted the youth to follow traffic rules and save their lives in a programme organized by the NSS Units on Traffic Rules and Awareness. Valuable lives are lost by violating traffic rules. He expressed anxiety over craze for speed in the youth. The youth need to focus on studies and enjoy their lives. They should not spoil their lives in the name of fun and thrill. They can adapt themselves to the changing scenario but not at the cost of their lives. CI Sri Rajendra Prasad Stated that around 38 people die and 680 become permanently disabled by road accidents. Families are shattered by the loss of head of the family. Principal Dr. V. Narayana Rao stated 80% of deaths occur as people ride without helmets.
