# **Plants Distribution Programme**

Organized by  
**National Service Scheme (NSS)**

**31<sup>st</sup> July, 2018**

## REPORT

### **Conservation of Environment**

Principle of KBN College Dr. V. Narayana Rao stated that conservation of environment is the responsibility of every one. The NSS wings of KBN College organised distribution and planting of saplings on 31<sup>st</sup> July 2018. In his speech he said that the existence of life on this planet is endangered by the function increasing pollution and cutting down trees he said. Planting and protecting trees is the need of the day.

He stated the college would continue to plant and grow trees as a duty. It should become a part of our life which will help to protect the environment. The program was followed distribution and planting saplings in the college premises. Vice Principal Dr. Naveen Kumar and Jr. College Principal Sri T. Bhagya Kumar participated in the program. Programme Officers Mr. V. Seshagiri Rao, J. Panduranga Rao and Ms. Sagarika, participated.
