

Guest Lecture on Stereochemistry

10-02-2020

Department of Chemistry organised a guest lecture on stereochemistry by Dr. B. Mallikarjuna, Assistant Professor, Dept. of Chemistry, Govt. degree College, Rajahmundry on 10th February, 2020 to all 1st B.SC Students. In his lecture he covered the following topics

- 1. Concept of Chirality**
- 2. Diastereomers and Enantiomers**
- 3. Optical Activity**
- 4. DL and RS Nomenclature**
- 5. Cis-Trans and E-Z Nomenclature**
- 6. Optical Activity of Lactic acid, Glyceraldehyde and tartaric acid**
