

## Student Achievements:2015-16

### A. Pratibha puraskara Awards

- Y. Guna Padma received prathiba award in M.Sc Organic chemistry (2013-2015) from Krishna University by the Govt of A.P on November 14th at S.V.University, Thirupathi.

### B. Paper presentations/participation

- 2nd M.Sc Chemistry students presented posters on “Applications of Nano Chemistry” in the UGC sponsored two day national seminar “Shaping the future with nanoscience” organised by Dept. of Chemistry, P.B. Siddhartha College on 19-20 Aug 2015.
- D. Pavani, R. Nagalakshmi and D. Srinivasareddy of 2nd M.Sc Chemistry presented a paper on “Sulfonamide synthesis in water” in the two day UGC Sponsored National Seminar on “Advances in Chemical Science” (NSACS-2015) on 18-19 September 2015 in collaboration with Krishna university & A.P. Akademi Of Sciences organised by Department of chemistry K.B.N College Vijayawada.
- T. Rangababu of 2nd M.Sc Chemistry presented a paper on “Physico Chemical Characteristics of selected Ground Water Samples Near by Mylavaram, Krishna District, Andhrapradesh” in the two day UGC Sponsored National Seminar on “Advances in Chemical Science” (NSACS-2015) on 18-19 September 2015 in

collaboration with Krishna university & A.P. Akademi Of Sciences organised by Department of chemistry K.B.N College Vijayawada.

- V. Nandini of 1st M.Sc Chemistry presented a paper on “Leading of hemistry in our life” in the two day UGC Sponsored National Seminar on “Advances in Chemical Science” (NSACS-2015) on 18-19 September 2015 in collaboration with Krishna university & A.P. Akademi Of Sciences organised by Department of chemistry K.B.N College Vijayawada.

- K. Sravya and T. Sivatejaswi of 1st M.Sc Chemistry presented a paper on “Material Science” in the two day UGC Sponsored National Seminar on “Advances in Chemical Science” (NSACS-2015) on 18-19 September 2015 in collaboration with Krishna university & A.P. Akademi Of Sciences organised by Department of chemistry K.B.N College Vijayawada.
- T. Pushpa and B. sunitha of 1st M.Sc Chemistry presented a paper on “Nanotechnology” in the two day UGC Sponsored National Seminar on “Advances in Chemical Science” (NSACS-2015) on 18-19 September 2015 in collaboration with Krishna university & A.P. Akademi Of Sciences organised by Department of chemistry K.B.N College Vijayawada.
- K. Uma and B. Srivijaya of 1st M.Sc Chemistry presented a paper on “Green Chemistry and its Principles” in the two day UGC Sponsored National Seminar on “Advances in Chemical Science” (NSACS-2015) on 18-19 September 2015 in collaboration with Krishna university & A.P. Akademi Of Sciences organised by Department of chemistry K.B.N College Vijayawada.

### **C. Participation of Students in extracurricular activities**

- D. Pavani, R. Nagalakshmi and D. Srinivasareddy of 2nd M.Sc Chemistry published a paper on “Sulfonamide synthesis in water” in the Journal for Advanced Research in Applied Science(JARAS), Page No. 115-118 Vol:2/Issue2/September 2015, E-ISSN – 2394-8442.
- T. Rangababu of 2nd M.Sc Chemistry published a paper on “Physico Chemical Characteristics of selected Ground Water Samples Near by Mylavaram, Krishna District, andhrapradesh” in the Journal for Advanced Research in Applied Science(JARAS), Page No. 11-23, Vol:2/Issue2/September 2015. E-ISSN – 2394-8442.
