

National Science Day Celebrations

27th February, 2021

With the initiative request of NCSTC to Government in 1986, to designate February 28th as National Science Day, it was declared as National Science Day by the Government of India as it is the anniversary of Discovery of Raman Effect and it was being celebrated since, 1987. The objective behind celebration of this day is to share the message of importance of science and its applications.

The management of KBN College is always a step forward to celebrate such significant days to motivate the faculty as well as students towards research. As a part of these celebrations the Department of Physics arranged an interaction program with Dr.G.Sahaya Bhaskaran, Associate Professor of Physics, Andhra Loyola College, Vijayawada, who is developing technical skills day by day for his teaching as well as for his research for the benefit of student community and best suited person for this year's theme of Science Day.

The lecture began with a brief introduction of science day. He discussed "how physics helps in the development of Information & Technology". He mainly mentioned the development in communication right from beginning to optic fibre communication system. The way of mentioning the Nobel Prize winners of communication field is very nice and it motivated the students a lot. The way he explained the development of memory chips from early days to current days' chips of apple phones with the help of thin film technology is very excellent.

Various technical developments like GMR, sensors etc. Finally, he concluded his lecture that physics is the backbone of development of technology. He interacted with the students and clarified their doubts very actively. Definitely students will benefit with this program.

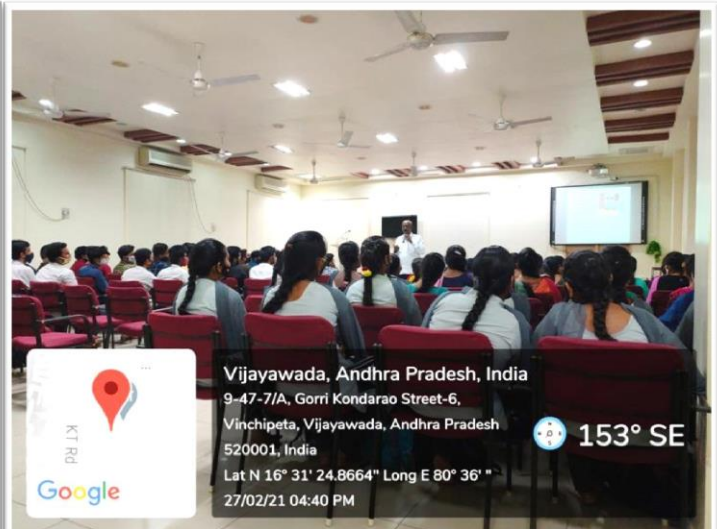

All the II & I year B.Sc physics students have participated in this program. Principal Sri.E.Vara Prasad Garu, Vice Principal Dr.K.Naveen Kumar garu, Academic Director Sri. P.L.Ramesh Garu, Head of the Department Dr.P.B.Sandhya Sri, faculty members of the Department Sri. Ch.Nagabhushanam Garu and Sri.J.Panduranga Rao Garu have taken part in this program.

We are very grateful to the management, administrative authorities for encouraging us to organise such type of program and for their constant and continuous support for successful completion of the program.

National Science Day Celebrations – 2021

Presidential Remarks by Sri E. Vara Prasad, Principal, KBN College

**Talk by Dr. G. Sahaya Bhaskaran,
Associate Professor, Dept. of Physics,
Andhra Loyola College, Vijayawada**

ISO 9001:2015

NAAC 'A' Grade Cycle 3

K.B.N. COLLEGE (AUTONOMOUS)

Sponsored by S.K.P.V.V. Hindu High Schools' Committee

Kothapeta, Vijayawada - 520001.

A College with Potential for Excellence (CPE)

All India 92nd Rank in NIRF by MHRD (2017)

INVITATION

NATIONAL SCIENCE DAY CELEBRATIONS

On Saturday, 27th February, 2021

@3:00 PM

Resource Person

Dr. G. Sahaya Bhaskaran

Asso. Prof., Dept. of Physics

Andhra Loyola College, Vijayawada

Presided by

Sri E. Vara Prasad

Principal-FAC, KBN College

Organized by

Department of Physics
