

KAKINADA SEA PORT

FIELD TRIP

Date: 10-08-2018

We have started from our location (KBN) to that end point (KAKINADA) at 6:50 AM on 10-08-2018.

We have reached KAKINADA by 12:50 PM and have lunch which has completed by 13:30 PM and again started to reach targeted point (KAKINADA) by 14:00 PM.

In between these timings, we have observed, learned, known facts about which is related to our LOGISTICS course. They are given below.

Logistics process

Advanced technologies

Cost of transportation

Duration

Storage process

Goods/Services transportation

Like chemicals, petrol, diesel, aluminium and raw materials of sand and granite.

The above concepts have observed and learn from unknown also these are guided and explained by mentor is a person who is working in shipping logistics from that location.

After completion of this, again we have started from almost by 17:45 PM.

Finally, we have reached our original point by 12:00 AM. After that dispersed and scattered to their homes along with their parents safely.

The above TRIP was conducted by HOD-LOGISTICS Mr.Ch. Srinivasa reddy with the support of PRINCIPAL and KBN College management.
