**INDUSTRIAL VISIT TO VRL LOGISTICS AT KANURU, VIJAYAWADA  
ON FEB 9<sup>th</sup>, 2019**

Industry Visit to VRL Logistics for B.COM LOGISTICS (ALL YEARS) Students

Title Industry visit to VRL LOGISTICS Pvt. Ltd.

Date 09<sup>th</sup> FEB, 2019

Resource Person / Facilitator Mr. Kalal.

**Summary**

An industry visit to VRL Pvt. Ltd. was organized for the students of B.COM LOGISTICS as a value-added learning method to instill the understanding of the role of VRL Logistics in supply chain operations, the management of warehouse operations, multi-modal logistics system and operations of fulfillment centre for online business.

VRL began its journey in 1976 and entrenched itself as the 'Knowledge Leader' and 'Market Leader' of supply chain & logistics industry in India. This firm is honored by KARNATAKA GOVT AND CENTRAL GOVT of Record as India's largest logistics Company with area of 43 acres of their operations and turnover of Rs.1800 crore.

Around 62 students visited the company and were given cordial welcome by the company representative, Mr. Kalal, AGM, Administration. Sir presented a brief introduction about the company, its heritage, existing operations and the future plan. Sir also informed that VRL serve for 9 different business verticals ranging from Apparel & Lifestyle, E-commerce, Healthcare, Hi-Tech, Publishing to Automotive, Engineering & Electrical Hardware, FMCG & Consumer Electronics and Institutional. Post presentation, the students visited the company warehouse and other facilities where the students were told about warehouse management & designing and also the ways to make better use of space to avoid heavy pallets to suffer.

Students were also introduced to the VRL system providing highly customized solution, flexible system integration and seamless information flow among the supply chain. The visit was knowledgeable enough for students to understand various aspects of supply chain management, warehouse management and inventory management.
