

**“A REPORT ON  
Budget Analysis on the UNION BUDGET SESSION 2025”**

Organized by

**Department of Commerce and Management**

Keynote Speaker: **Sri LINGA MURTHY, Chartered  
Accountant**

**Introduction**

The Live Union Budget Session 2025, held on February 1, 2025 provided students, faculty members, and local business enthusiasts with insights into the Indian Union Budget presented by the Finance Minister. The session was marked by an engaging review of the budget delivered by distinguished guest speaker, Sri B. Linga Murthy, a respected Chartered Accountant.

**Objective:**

The event aimed to keep the academic community informed about the fiscal policies, economic outlook, and strategic initiatives influencing the nation's economy.

**Opening Remarks:**

The session began with an introduction by Sri N.Hemanth, Head, Department of Commerce and Management, who emphasized the significance of the Union Budget in shaping India's economic landscape. The importance of understanding budgetary allocations and their implications for various sectors was highlighted.

**Live Streaming of Budget Presentation:**

The live telecast of the Union Budget presentation was set up in the auditorium, allowing attendees to watch the Finance Minister's speech in real-time.

Students and faculty members documented key points and proposals made by the government.

**Sri B. Linga Murthy's Review and Analysis:**

Following the live budget presentation, Sri B. Linga Murthy provided a comprehensive analysis of the budgetary allocations and fiscal measures.

**Key aspects covered:**

- ✓ Economic Growth Projections: Sri Linga Murthy discussed the projected GDP growth rates and the significance of fiscal policies in supporting growth.
- ✓ Sectoral Allocations: He analyzed allocations to critical sectors such as education, health care, infrastructure, and agriculture, stressing the importance of targeted investments for sustainable development.
- ✓ Tax Reforms: The speaker explained changes in the direct and indirect tax structures aimed at increasing compliance and broadening the tax base.
- ✓ Social Welfare Programs: An overview of the welfare schemes introduced or modified in the budget, highlighting their expected impact on the marginalized sections of society.

**Outcomes & Conclusion**

Attendees gained a profound understanding of the budget and its implications, fostering a culture of informed discussions about economic policies.
