

'GST WORKSHOP'

Organized by Department of Commerce and Management

19th & 20th April, 2024

The Workshop on Goods and Services Tax (GST) was organized by the Department of Commerce and Management at KBN College (A), Vijayawada on April 19th and 20th, 2024. The event aimed to provide a comprehensive understanding of the recent changes and updates in the GST regime for the benefit of businesses and professionals. A famous and reputed practicing chartered Accountants Mr. Akshay Jain, CA and Mr. G. Rajesh, CA acted as resource persons for 2 days.

Key Highlights of the Workshop:

1. **Overview of GST:** The workshop commenced with an elaborate explanation of GST, its objectives, and the key concepts involved. This laid the foundation for understanding the subsequent discussions on the recent changes and updates.

2. **Recent Changes and Updates:** The workshop participants were informed about the recent amendments in the GST laws, including the introduction of the reverse charge mechanism, the composition scheme for small businesses, and the revised tax rates. They also learned about the ongoing GST reforms and the government's efforts to simplify the tax system.

3. **Compliance and Return Filing:** A significant portion of the workshop focused on understanding the GST compliance process, the various forms and returns required to be filed, and the timelines associated with them. Participants were given practical tips on how to maintain accurate records and avoid common mistakes while filing GST returns.

4. **Case Studies and Best Practices:** The workshop featured several case studies and examples to illustrate the practical implications of GST on different business sectors. Additionally, participants were introduced to best practices for GST compliance, which can help businesses minimize their tax liabilities and ensure smooth compliance.

5. **Interactive Sessions and Q&A:** The workshop encouraged active participation from the attendees through interactive sessions and Q&A rounds. This allowed participants to clarify their doubts and gain valuable insights from the experts and their peers.

6. **Networking Opportunities:** The GST Workshop provided an excellent platform for professionals, business owners, and students to network with industry experts and like-minded individuals. This networking opportunity facilitated knowledge sharing and collaboration, fostering a better understanding of the GST regime.

Outcomes:

It provided valuable knowledge and practical skills to the participants, enabling them to navigate the complexities of GST compliance more effectively. By understanding the recent changes and updates in the GST regime, businesses can make informed decisions and ensure compliance with the evolving tax laws. The workshop also emphasized the importance of advanced Concepts of GST also.
