--	-----

2. Measures taken to complete the syllabus of courses and programs.		The faculty completed their syllabus for the academic year 2020-21 on time by conducting classes through online and offline mode. To complete the syllabus on time the faculty were asked to prepare a detailed lesson plan as per the academic calendar before start of a new semester. The progress of the syllabus completion is monitored by Head of Departments and Principal. Faculty conducted online classes by taking the support of virtual structure to fill the gap in the process of syllabus completion during COVID -19 pandemic. The teachers tried their best to teach the student through online and have also asked them to contact whenever they face any difficulty in studying. Our college has G-suite educational domain and during the lockdown situation our college conducted online classes regularly through this domain. These online classes were very effective to cover the syllabus on time and the teachers take online classes of their respective subjects through Google Meet regularly as scheduled. The links for online were provided to the students through WhatsApp Groups. Recordings of virtual lectures were made available on the college YouTube Channel KBN Pathashala for open access of the students. The teachers conducted online tests and assignments were given regularly through Google Classroom. We provided practical knowledge to the students through virtual labs during lockdown period. Lecture notes and PPTs on concerned subjects were provided through Google Classrooms, Blogs, Moodles and college website e-resources. To make the learning process more interactive and engaging we provide e-books and e-book resources to the students through Digital Library.
